SAME LUNCH BREAK, TWO RUN SHEETS

A time and a room is not a plan.

What attendees get at 13:00, and what they could get instead.

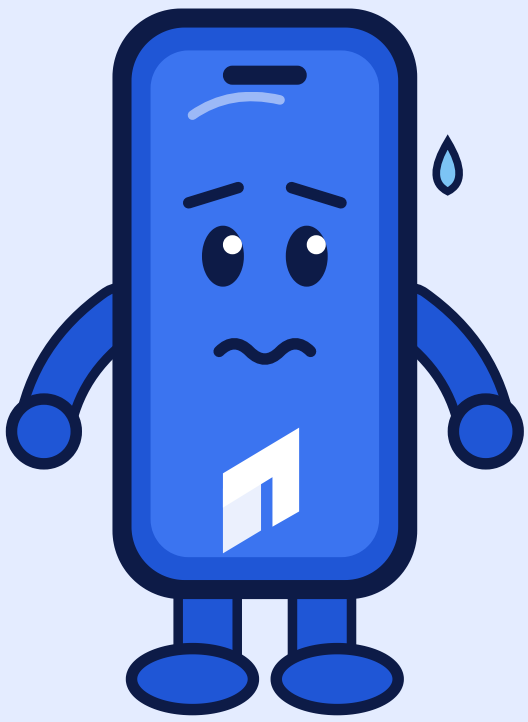

13:00 Lunch and networking. Atrium.

BEFORE VS AFTER

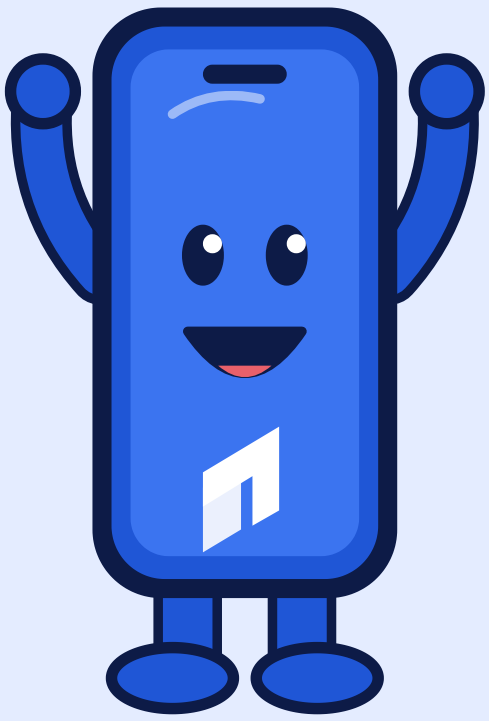

BEFORE

Nobody knows who's there. Nobody has a first line.

AFTER

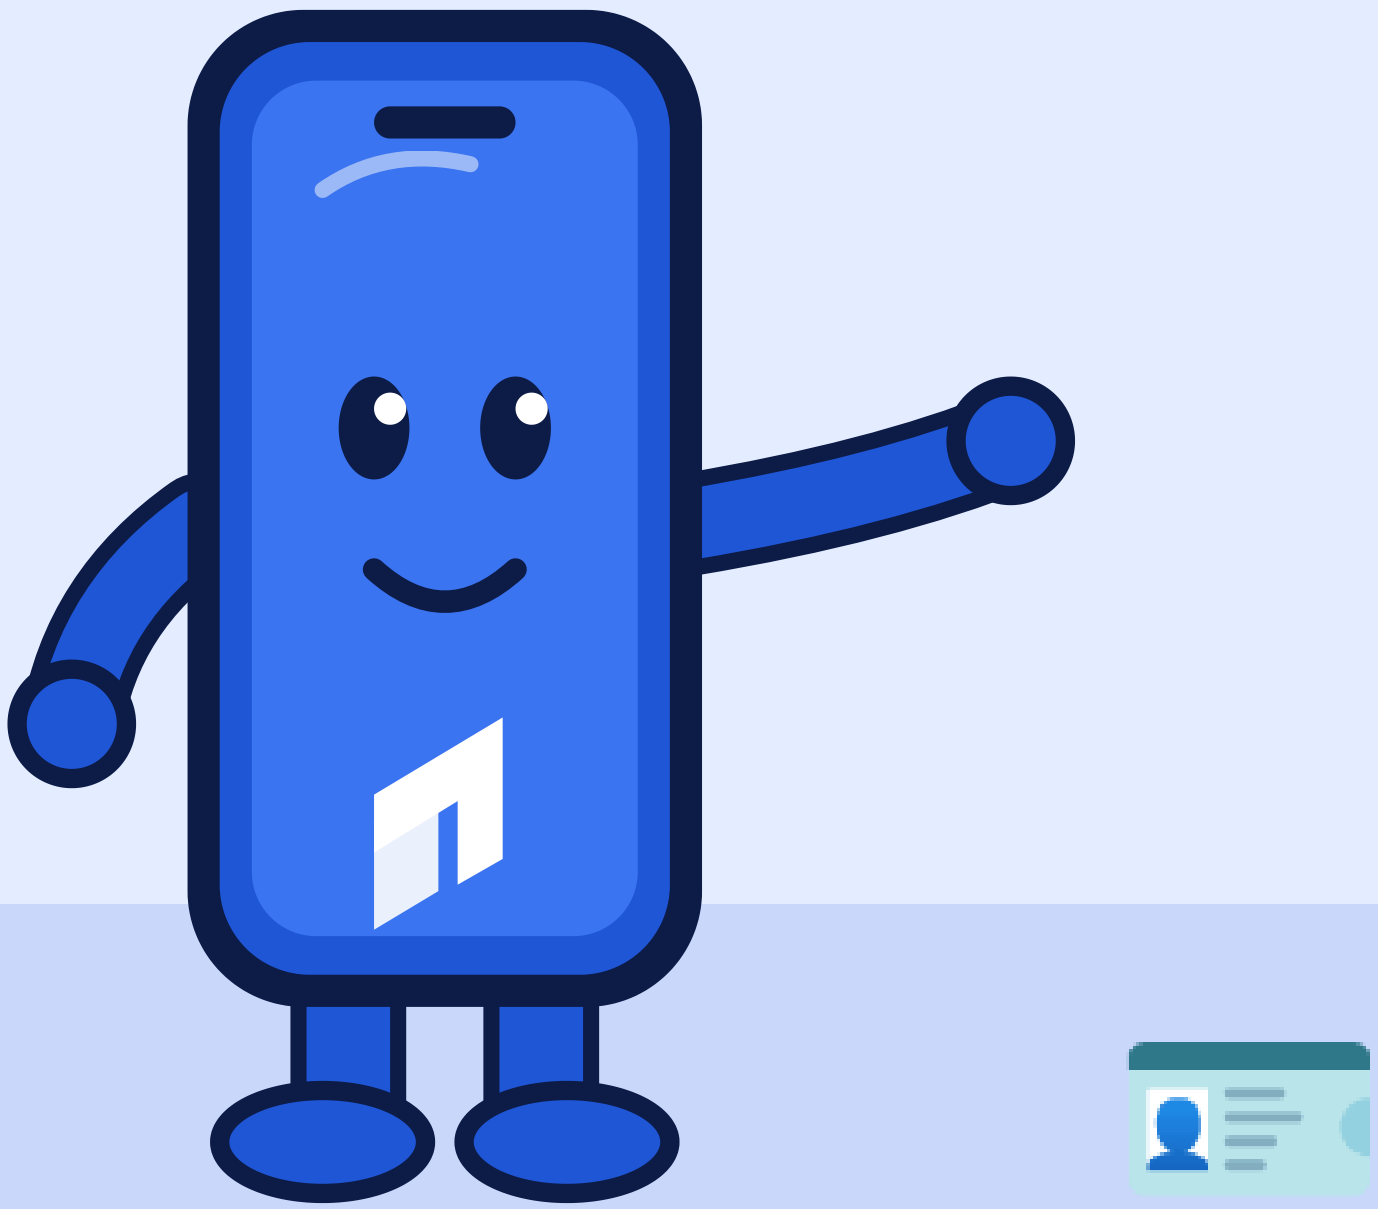

Who's coming, shown before the day.

AFTER: WHO'S COMING

Roles and industries are enough. Name or anonymous: your choice.

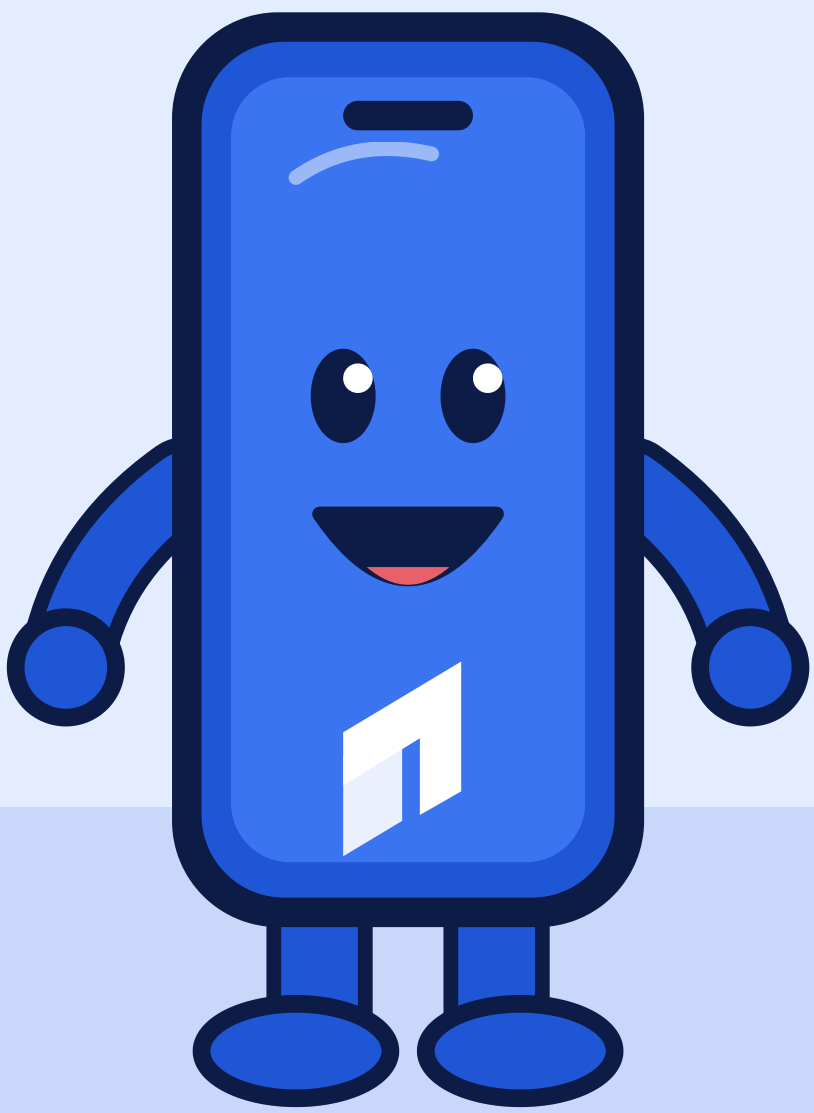

Hide your name and you see roles, not names. Fair's fair.

AFTER: A JOB FOR THE BREAK

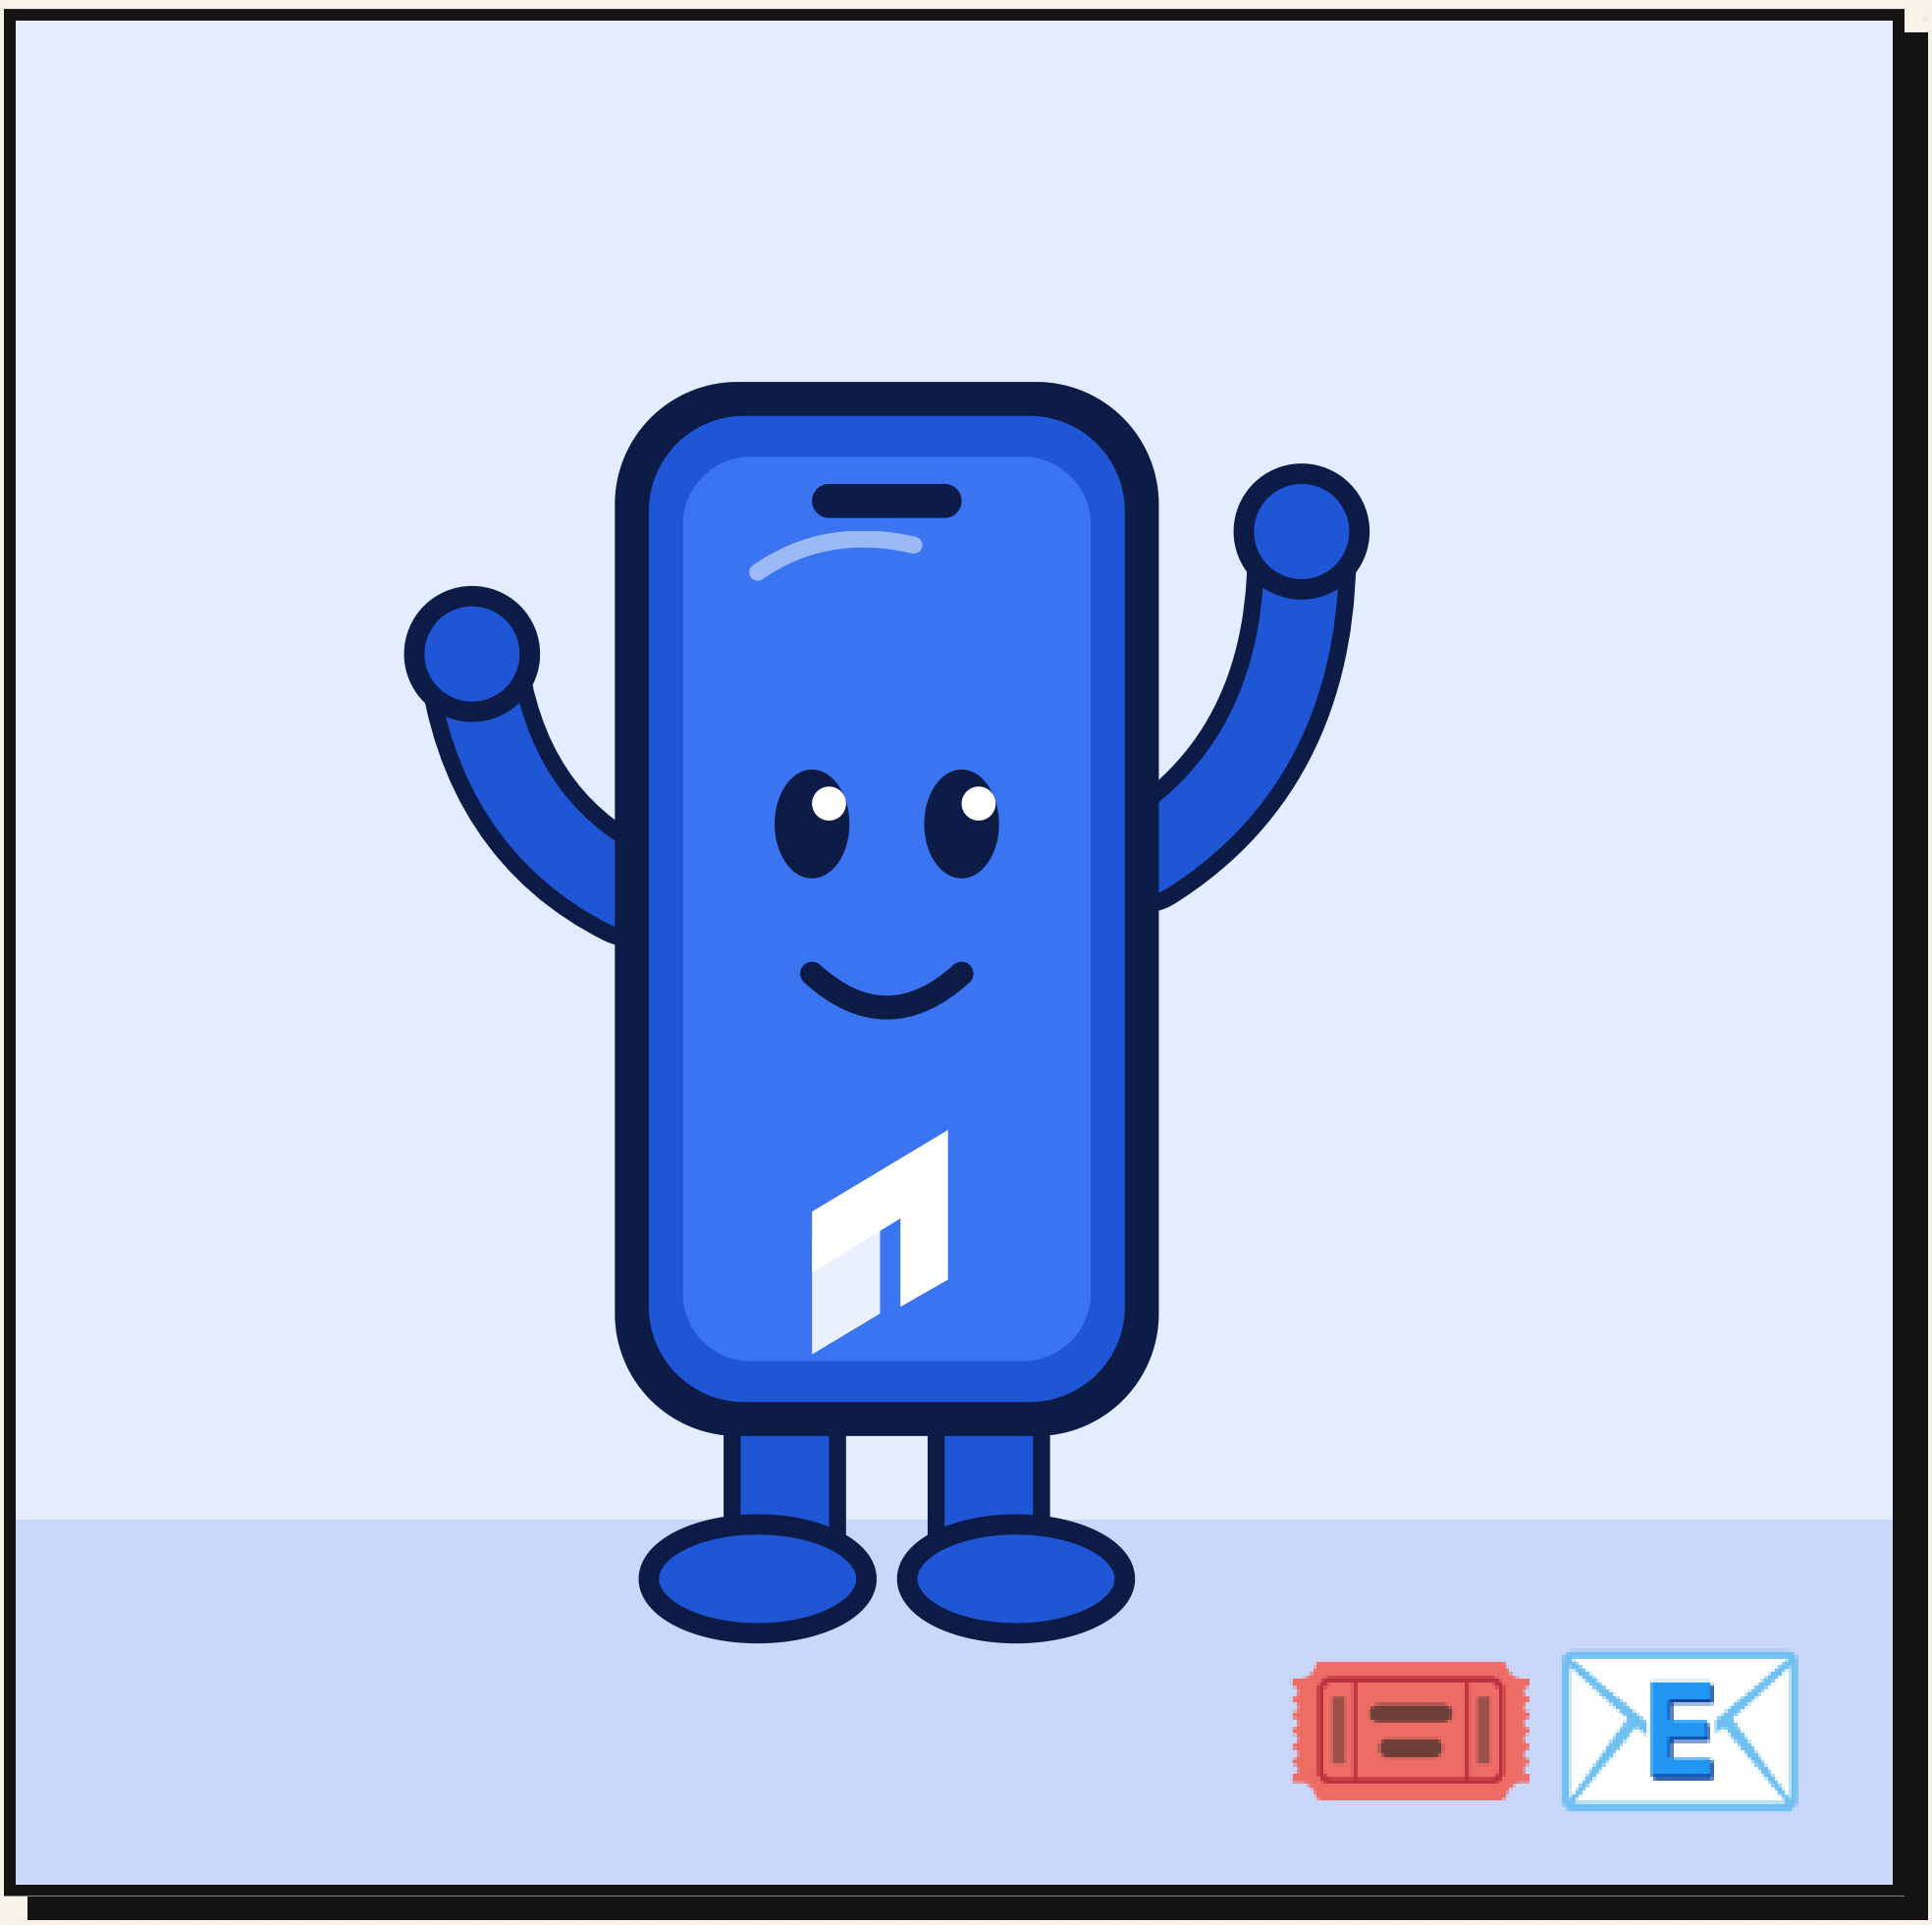

Give people a reason to walk up to a stranger.

Find someone from another industry. Ask about their worst event.

AFTER: WHERE IT LIVES

All of it on the link in the ticket email. **Nothing to install.**

THE MORAL

The fix isn't more time. It's information.

💾 Save this for your next run sheet
