MYTH VS FACT

5 myths about event networking

Swipe before you write your next run sheet.

Bonus myth: "Our run sheet is fine."

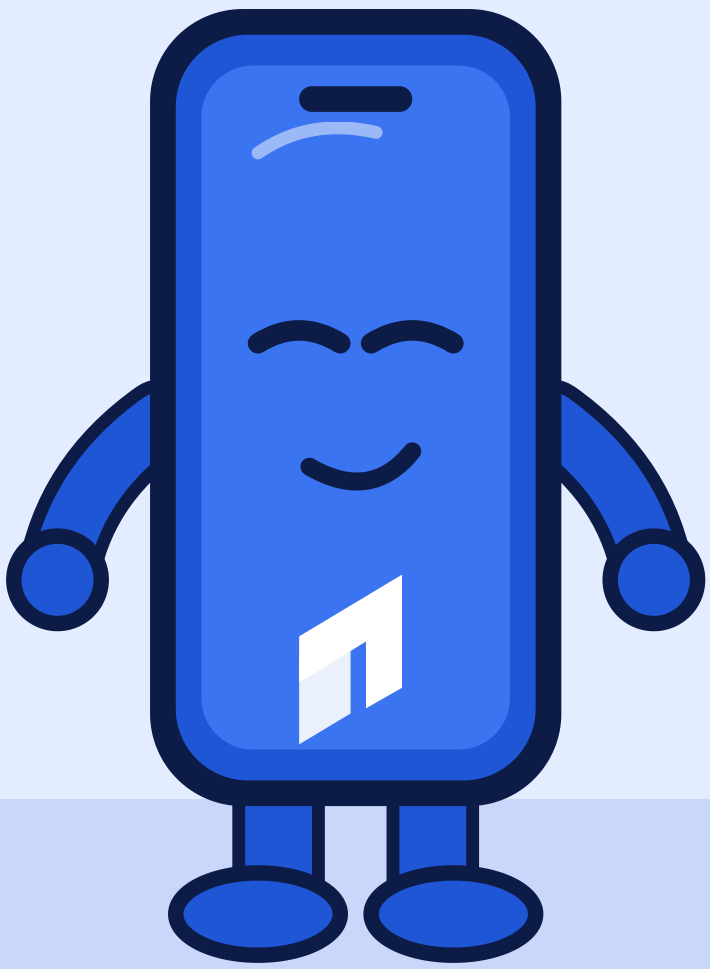

MYTH

PEOPLE SAY

“Put networking on the agenda and people network.”

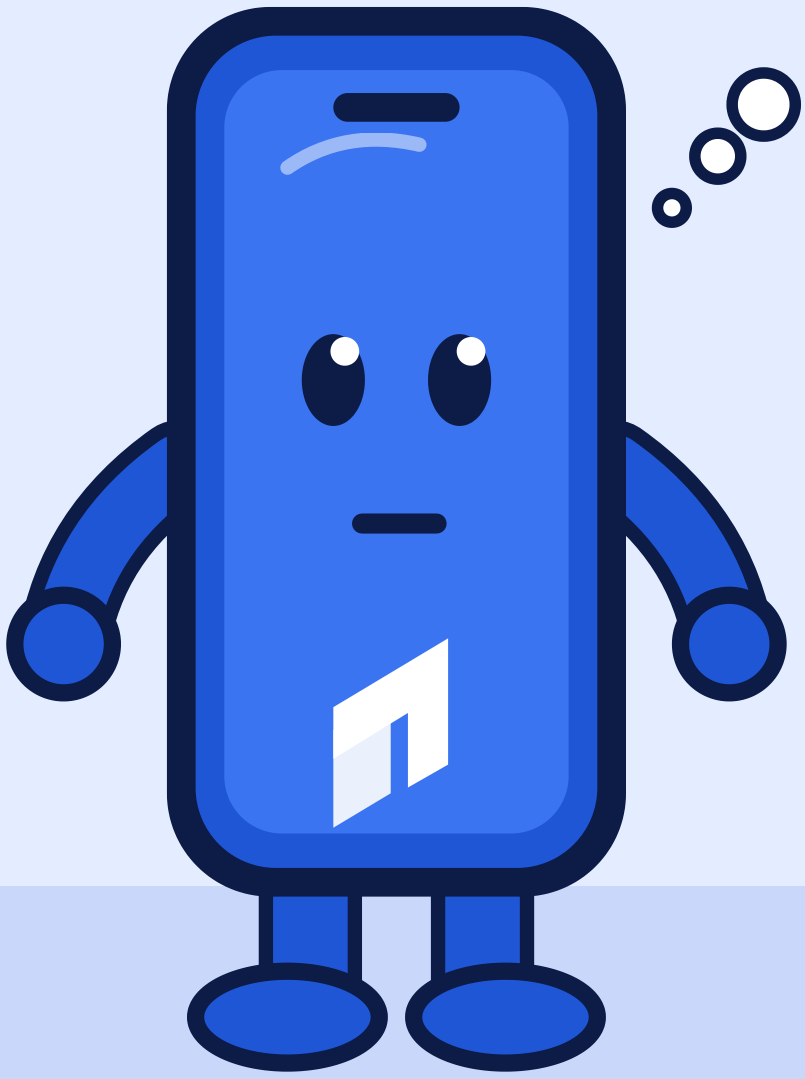

ACTUALLY

A slot is a room booking with a hopeful label.

MYTH

PEOPLE SAY

“People don't network because they're shy.”

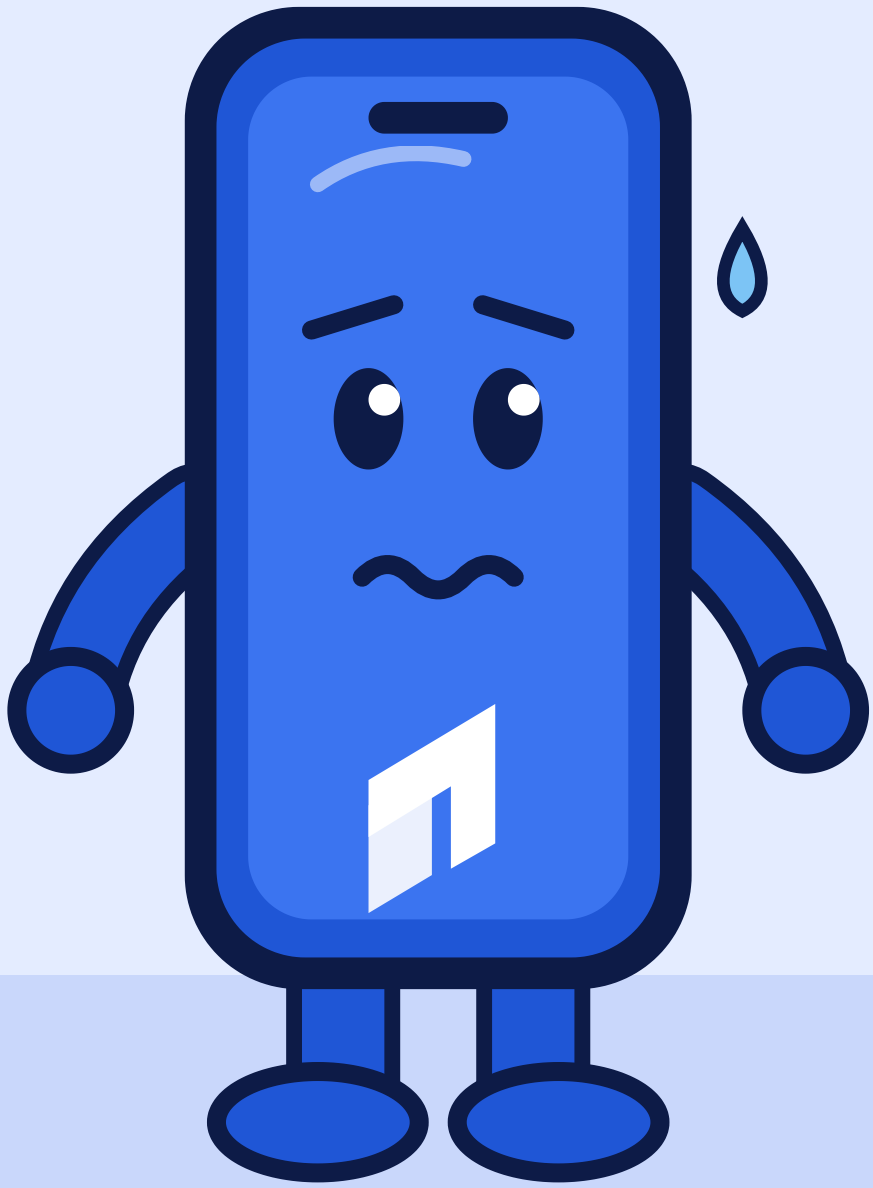

ACTUALLY

They can't tell which stranger is worth ten of their twenty minutes.

MYTH

PEOPLE SAY

“A networking app fixes it.”

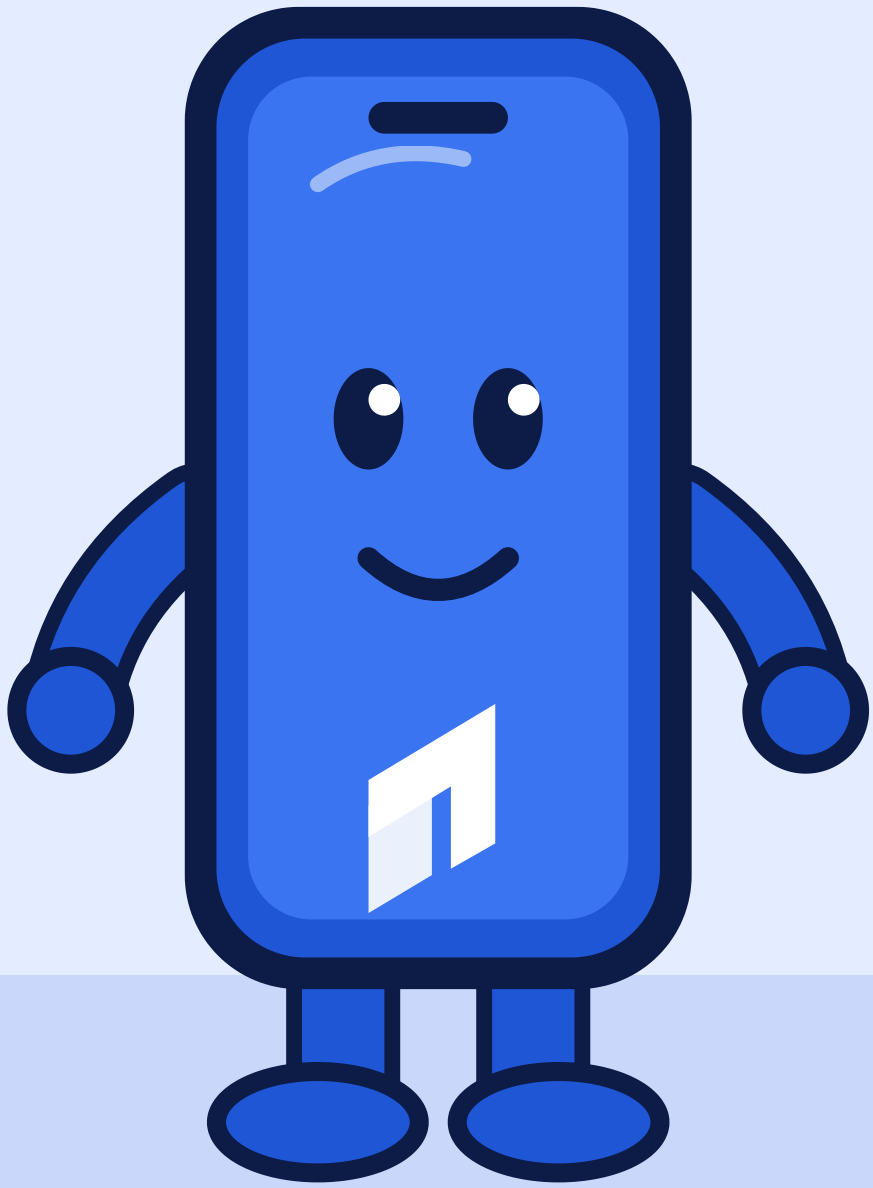

ACTUALLY

Without a real push, 20-30% of attendees download one (Nunify, 2025).

MYTH

PEOPLE SAY

“More features win.”

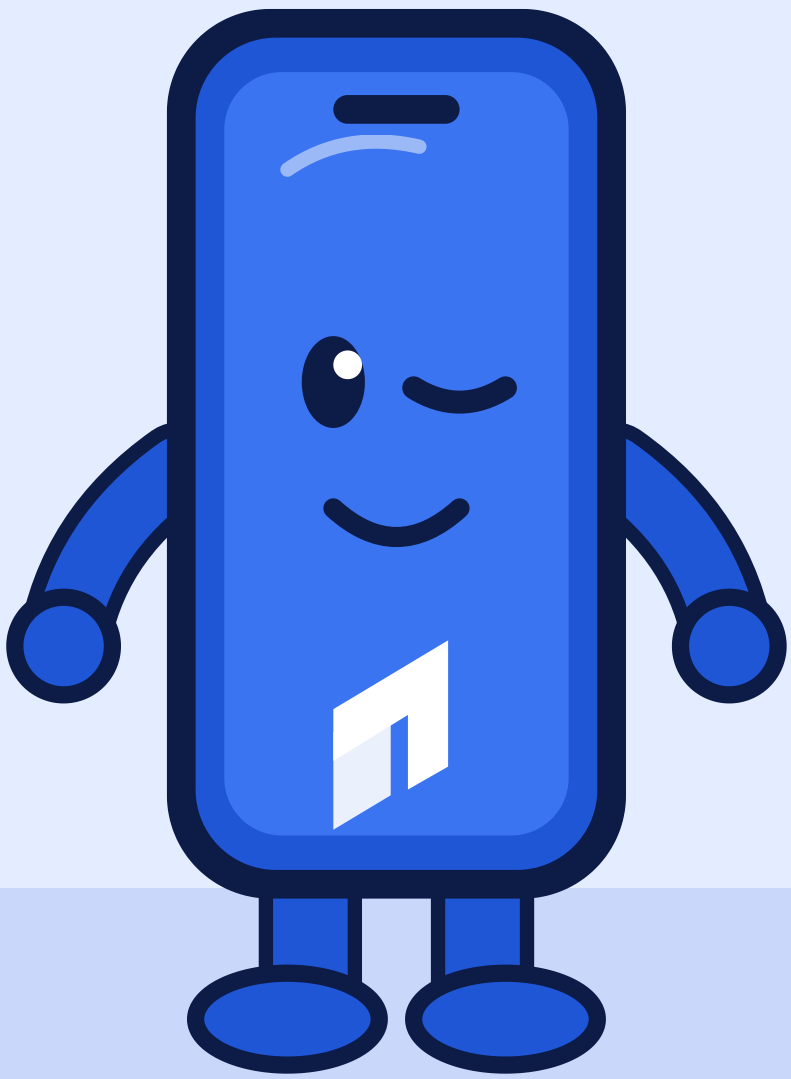

ACTUALLY

Fewer features everyone sees beat more features a quarter of the room sees.

MYTH

PEOPLE SAY

“An attendee list is a privacy problem.”

ACTUALLY

Ticket holders only, objectors left off, anonymous allowed, and symmetric.

THE MORAL

Search your run sheet for "networking". We'll wait.
