MYTH VS FACT

What an AI co-founder is not

FIVE THINGS PEOPLE ASSUME

01 ~~It's a person.~~

02 ~~It's autopilot.~~

03 ~~It's a smarter model.~~

04 ~~It replaces your accountant.~~

05 ~~You couldn't just ask Claude.~~

All five are wrong. Swipe for what it actually is.

MYTH 1 OF 5

WHAT PEOPLE BELIEVE

It's a person.

MYTH

WHAT ACTUALLY HAPPENS

It carries no liability and can't sign a contract.

MYTH 2 OF 5

WHAT PEOPLE BELIEVE

It's autopilot.

MYTH

WHAT ACTUALLY HAPPENS

It computes and drafts. Sending, paying and signing stay with you.

MYTH 3 OF 5

WHAT PEOPLE BELIEVE

It's a smarter model.

MYTH

WHAT ACTUALLY HAPPENS

Same Claude you already have. If Claude were the bottleneck, it wouldn't help.

MYTH 4 OF 5

WHAT PEOPLE BELIEVE

It replaces your accountant.

MYTH

WHAT ACTUALLY HAPPENS

It's a well-kept working file you bring to them.

MYTH 5 OF 5

WHAT PEOPLE BELIEVE

You couldn't just ask Claude.

MYTH

WHAT ACTUALLY HAPPENS

You could. A skill is that typing, done once and kept.

THE MORAL

The half people skip is the half that keeps you safe.
